The **L.A.C.E.R. Afterschool Program** is a free program funded by grants and donors. All King students (current and incoming) are eligible to apply. The number of students the program can accept is limited. We base the selection of participants on a lottery system.

The requirements for those students accepted through the lottery are:

2. Students **must** follow the L.A.C.E.R. respect contract.
3. Parents **must** complete a L.A.C.E.R. enrollment form before student(s) start.
4. A parent or guardian **must** attend the L.A.C.E.R. orientation meeting during the first week of school. The orientation meeting may occur online; we will provide details upon acceptance.

All lottery applications **must** be completed and submitted online at the following link or with the QR code at the top of the page.
