

L.A.C.E.R. AFTERSCHOOL PROGRAMS

HELLO NEIGHBOR!

ESTABLISHED IN 1995

Founded by educators, community activists, and artists, L.A.C.E.R. has at its core, the belief that all students in the Los Angeles public school system should have access to quality education, academic support, excellent arts programming, organized athletic activities, and graduation preparation that is otherwise unavailable or unaffordable. L.A.C.E.R. students attend school more, connect to the community around them, get better grades, make friends, and 97% graduate high school.
