

The Wilbur May Foundation
presents
STARFEST 2023
A L.A.C.E.R. Afterschool Programs Annual Event

Dear Friend,

Spring is here, and that means it's time for **STARFEST!**
STARFEST is L.A.C.E.R. Afterschool Program's biggest fundraiser of the year! This is our first year back since the pandemic and we need your support more than ever!

WOULD YOU BECOME A SPONSOR TODAY?

STARFEST is unique. It is the only time throughout the year L.A.C.E.R. students who participate in our arts programs – music, dance, theatre etc. – get to flaunt their newfound skills they have developed in our program. The experience for the students is priceless but we need your help to make it happen.

L.A.C.E.R. Afterschool Programs offers free after-school classes to students in eight Title 1 LAUSD middle and high schools. Each school has their own unique profile, and our programming reflects that. Each day over 1,000 students show up after school and receive an in-depth array of academics, art, and athletic classes.

The last couple of years has been challenging but along with a generous grant from the WILBUR MAY FOUNDATION and other sponsors and supporters, our programs continue to enable L.A.C.E.R. students to dominate the honor roll and graduate at higher rates than their peers! There is still more to be done.

Please help us by becoming a SPONSOR or make a donation to STARFEST 2023!

Your support will make a difference for the students and our community.

All donations are tax deductible and will provide our students with art materials, instruments, repairs, and professionals to teach them after school.

**This year STARFEST 2023 will take place at the
The Wilshire Ebell Theatre on
Sunday, June 4th from 1pm to 3pm.**

SPONSORS will receive VIP priority seating tickets, reserved parking, PLUS recognition on our website and all printed materials, seen by thousands of families in our Los Angeles communities.

Thank you and see you there!

Will Seymour, Executive Director
